Number One Right On!!!

The 1971 Paseon staff proudly introduces this year's annual. Our theme, "Not to be outdone, but to be Number One", was unanimously chosen by the staff because we feel that Paseo and its student body, faculty, and administration are working daily to fulfill this goal. In sports, spirit, organizations, sportsmanship, and classes, Paseo has joined in a spirit of togetherness. Our new principal, Mr. Marvin Brooks, came here with the idea of Paseo striving to be Number One. This staff feels that the 1971 Paseon is Number One, And will not be outdone.

Athletes get down!

Upperclassmen have the spirit!

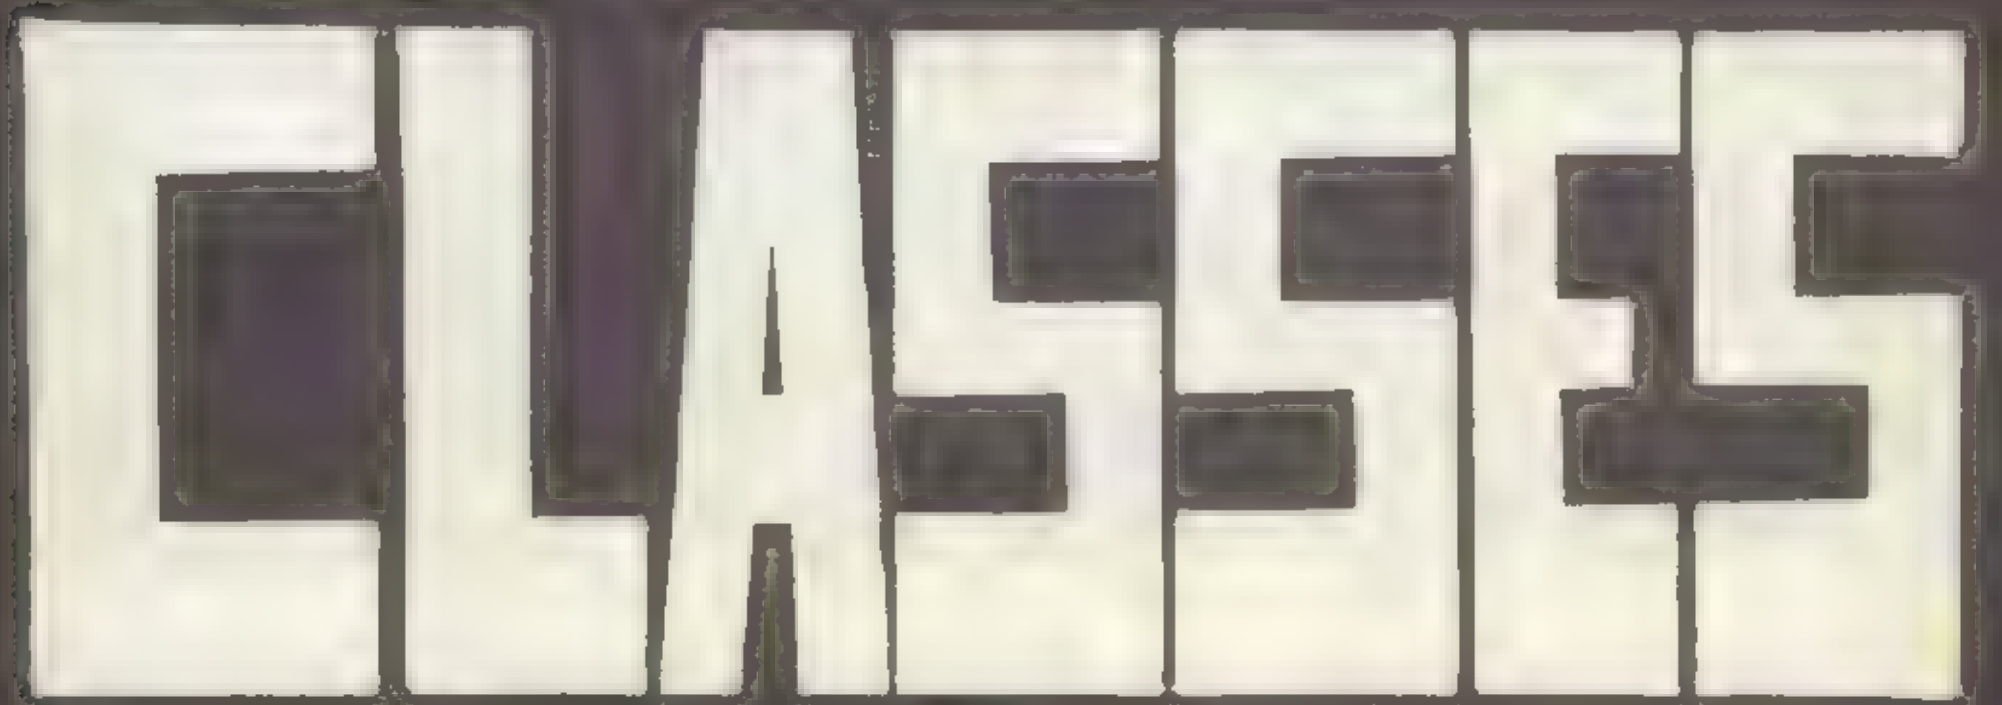

Faculty get together!

Freshmen learn the ropes!

FACULTY ADMINISTRATION

New Principal Brings New Ideas to Paseo

Mr. Marvin Brooks

Mr. Marvin Brooks began his work at Paseo long before school opened in September. Many things must be done before the opening of school and Paseo has an overload of such items. Mr. Brooks was accustomed to such hard work, as he came to us from East High School, where he served as vice-principal. Our new principal faced a monumental task in finding ways to help flexible modular scheduling work for our students and staff. He brought with him many innovative ideas such as the "mini-course" for non-credit and the "mod freeze" for non-hall walking. Mr. Brooks continually tries new things to help the students get the best education possible, and is a firm believer in the slogan "Paseo IS Number One". Our theme has its origin in his motto and our hats are off to him as he symbolizes a Number One Principal.

Mr. Marvin Brooks stops a busy schedule to congratulate Paseo's own Number One Golden Gloves champion, Roger Wright

Administrators Go Mod, Mod, Mod!

Mr. William Tillmon, vice-principal, is in his first year at Paseo. Working with Mr. Brooks and the other administrators as a team, his straight-forward ideas put the school in order. Modular scheduling is a dear friend to this "vice-principal." Feeling at ease in this situation, Mr. Tillmon is helping to make Paseo Number One.

Mr. William Prewitt is officiating as vice-principal at Paseo for the first time this year. He comes to us from East High School and has certainly jumped into our school's spirit! Even though "mod" scheduling is a new experience to him, the adjustment has been fast. Vice-principal Prewitt's teaching career has flourished in its thirty-five years. Advocating our theme, he's really helping us become Number One.

Mr. Edgar VanFleet is in his sixth year at Paseo. He is the only administrator to have been in on the ground work for Modular Scheduling. He is in charge of all student and faculty scheduling. Also among his duties is that of handling all seniors with discipline problems. He works continually on scheduling both at school and also at home. Mr. VanFleet is always looking for new and innovative ideas to help make our school Number One.

Keeping accurate records at Paseo is a difficult task for our office personnel. We are most fortunate to have people who are very diligent in their work.

Paseon Staff

Under the guidance of Mrs. Kathy Mendenhall the Paseon Staff worked vigorously to produce a record of the happenings of 1970-71. Many long hours of hard work have been spent in putting this annual together. We take pride in having the first Paseon with a full color page, and in the increase in sales

Our activities this year were a powder puff football game for girls, the annual Paseon King and Queen Contest and dance, and our picture auction at the close of the school year.

Mini Courses Led by Teachers and Students

Batik and Tie-Dyeing was taught by District art consultant Dell Angerer. Shown with Mrs. Angerer are two of the students, Lela Roby and Thelma McBride

Shown with some of their puppets, made in this mini course, are Vickie White, Joyce Nelson, and Veronica Sims

Mr. Steve Bland instructs students in the mystical phenomenon of Astrological Theory

A new concept came to Paseo this year with Mr. Brooks' introduction of the mini course. These classes were offered on teacher and student unscheduled time for non-credit. The course structure was left entirely to the instructor and could last as long as necessary. Mini courses were formed to broaden the curriculum and to help relieve the congestion in the halls and open labs.

Some of the courses offered were: Marksmanship Firing, Chess, Math, Film making, Musical Theatre, Guitar, Remedial Reading, Sociology, Principal's Open Forum (Rap Session), Knitting, Modern Jazz Dancing, Ceramics, and Black Culture.

The Resource Centers Dark Room was the meeting place for the Photography mini course taught by student, Darwin Langum

Dedication

The 1971 Paseo Staff takes pride in dedicating this yearbook to our Varsity Basketball team and Coach Bowie. On February 20, the Pirates defeated Manuel and became the Interscholastic League Champions. This feat was done through much hard work, perserverance, and a deep desire to be Number One. Their triumph is shared by every student, teacher, administrator and employee at Paseo. Congratulations, team!!!

Champ Contenders

"Jumpin' jive, Man alive, Paseo Pirates had just arrived." This is the spirit we all had as we pulled into St. Louis to battle for the number one State Basketball title. It was a long and hard fought battle but it proved to be the best Paseo has done in forty years, as stated by rookie Coach, Willie Bowie

We compiled an overall season record of 16-7. In doing this, we cap-

tured first place in the Interscholastic League by defeating Manuel 67-62. By defeating Central, Oak Park, and Raytown South in the semi-finals, the Bucs arrived in St. Louis set for action

Friday night the pirates beat Desoto 65-56. St. Louis Vashon escaped the Pirate trap and won 76-72 in the championship final Saturday
